PLEASE READ CAREFULLY

The Compassionate Friends Group

The Compassionate Friends group is for children who have a deceased parent or sibling. Unlike my other groups, this group will run from January 2018 until June 2018. Using discussion, games, crafts, stories and positive thoughts, I hope to provide techniques for the children to make their coping a little easier. The curriculum that I use for this group is specifically designed for children with a deceased parent or sibling. This group is not appropriate for the loss of other family members, such as a grandparent or a pet.

All Compassionate Friends groups will be held in the mornings from 8:20am until 8:40am. I'd like to provide an early morning snack for the children, so please make me aware of any food restrictions that your child may have. If you have any questions, please contact me.

Please return this permission slip to Mrs. Perry in the Guidance Office.

**THE DEADLINE TO HAND IN THIS PERMISSION SLIP IS
MONDAY, DECEMBER 18, 2017**
